REMOTE LEARNING SUPPORT FROM YOUR CLASS TEACHER DURING A BUBBLE OR SCHOOL CLOSURE

Dear Parent,

As your child's class bubble has now closed, teachers will be providing work remotely. This will give the children the opportunity to practice or reinforce any learning so far and give teachers the opportunity to set work and next steps for your child.

Please keep looking for up to date information on your child's class page on the school website or use their PURPLE MASH login for daily learning tasks. Daily learning task will be available from 9:30am each morning and need completed by 2:45pm so teachers are then able to assess and set work for the following day.

Should you require any support or wish to contact your child's class teacher during this time, please use the email address below to contact your class teacher. Please note this is for emergency contact only in relation to home learning. Children should not contact their class teacher in this way and should wait for feedback through PURPLE MASH. If teachers are well, they will aim to answer any concerns within 48 hours.
